

# Prayer for Financial Stability and Protection from Jesus

Channeled by Charlotte Spicer 2016

*Heavenly Father, in You I am complete.  
Your heart knows no bounds to Your generosity;  
My heart flees at the sight of poverty.  
My heart asks for security and stability in my financial dealings  
that I may be free from an uncertain future.  
I pray for your protection of my heart, that it be free from fear;  
that I might be the creator of my life circumstances, as You are my Creator.  
Amen*

## **Additional Information**

Charlotte: Jesus, does this prayer protect against negativity surrounding money?

Jesus: No, it helps the human relinquish fear in the heart center with regard to the inflow of money. But the human must set the conditions to income, rather than pray for it and hope to win the lottery. This is not its purpose. Its purpose is to keep the path clear so the appropriate amount of money can be attracted to and delivered to its Host.
